## **WAR CRIMES AND CRIMINALS OF NORTH DAKOTA**

### **Time to settle the score!**

Between these few pages I offer new life in hopes of helping reality in sight and give you the power that is rightfully yours and a whole new way to settle the score.

It's honest and natural and buried deep in side of the honest producer that's been deceived of his pride sent running in circles with no end in sight.

These pages are filled with the tools and weapons for winning this little war. Although these facts are highly ignored there used deceptively by those you adore there minds have become tools to this "quiet little war". Whether bobby pins, computers, calendars, or coal it is the working class minds we must truly adore for they are the ones that deserve fortune and fame but they are the one blind to the

game. Facts are facts there are two different minds, the producer of values and those with parasitical view who work as the bullets in this quiet little war. Those who seek power over your very own life are the same mind that seek to put mankind in chains they work to master the tricks of the game. They simply forgot the meaning of life and that is to earn happiness with a productive life.

Facts are facts you have but one life as more facts are revealed I'll show a new light and give the producer his long lost life. With no guns or no fight but with simple logic we all have the power to make it right and give the producer his true earned might.

This little note will put holes in things not right and hopefully change the ones that didn't see the light and thought being a parasite was a path to might. It has been said throughout all the ages that God and Government is right and if you bow and worship them you will have a good life, and go to heaven..

Now stand back and look at them and see for yourself they both have a bunch of people that live off your wealth. They both gain there power with deception and lies and there is no real value when you open your eyes they have become unwitting weapons used on us all.

It's really incredible the power they have to blind all the people that has earned all this pride, The only mind that benefit mankind is the value producer and his creative mind.

Please use your own mind and a new point of view and judge for your self if what I say is true. When it all boils down your god is in you and your sense of reason is his gift to you,

No other animal alive can do what mankind has done to survive, all by the power of a reasoning mind How could this

have slipped by?

What's being hidden with deception and lies by those who seek power over your one and only life is the unveiling of two separate minds. With this fact revealed you can help settle the score over any parasite mind that seeks to control. From world to personal the tricks are the same and anyone using them is playing a game.

Your life is yours when you live by this rule, By producing the values that benefit man, It'll benefit you.

The laws of mankind are basic and true but have been perverted to benefit the few. Race creed or color will exit your view when you realize the deception perpetrated by these few.

Facts are facts this logic true, the producer of values has really been screwed!

With the philosophy of Plato that put man to his knees in hopes of a god to fill all his needs but with this logic it feeds a parasitical few.

Now let's look from an Aristotle view for he is the father of this point of view that has been hidden from mankind's view. In a competitive world there is no deceit as everyone competes to help settle the score. The whole world would soar as prices decline,

Technology would soar to help up the poor, War and disease would be a thing of the past, Living forever wouldn't seem so bad.

All of life wouldn't be such a bore with millions of new things to explore. Think about it people it's time to settle this score! At least do what is right and let your kids soar! Right is right and destruction a scam if it keeps going on it will mean the

end of man, for it is the opposite of all that is grand and only hurts all that do not understand?

In the name of God and the name of the State they are all leading us to a most dismal fate. But with all eyes open and reality in sight even the blind will see the light, by producing values you feel your true might and find new cures to help set mankind right. Productive work is the key to life by building your emotions your happiness soars as you do what is right and help settle this score!

You now have some tools I will give you more that can be used on all those who stand in your way without earning there own way for when there confronted they will all run away!

This is "the weapon", We can use on them all.

Simply tell them of the games that they play and it's really them that don't earn there own way, then show them the errors of there ways then explain there crime does not pay and stealing from you will help seal there own fate as more producers see the game. You are on the losing side a silent war Who will support you when the last producer is informed?

Your power is false, your life is a scam, if you don't change you will never be a real man, You live by deceit your life isn't grand for all you do is scam off man. Think about it, We should have been born into this life? Now I am really mad!

Look at Gandhi and at Jesus Christ and at the evil that took there life There all the same mind you have been led to believe!

The laws of man are simple and straight but have been perverted to gain false might and fill the pockets of the puny few that plunder the rights of the mighty you. It's all false

power that need force and deceit then they seek glory from the blind.. Yes you.

Look at Abe Lincoln and the scam you believe that he is the one that freed all the slaves, Now stand back and look at the destruction and pain that went into building that bogus fame and who walked around with only one eye?

It's time to grow up and see the light, Force and deceit simply isn't right, it just drains and hurts all those who do not understand.

The true route to happiness is control of your life by knowing what is right in Front of you. The true route to friendship and a healthy love life is to be a genuine benefit and not seek control. As emotions of people form a match an invisible bond will attach I benefit you, you benefit me and that is the code we must all live by.

Now hold your head high and help fight this disease that threatens to put all mankind in chains. Seek to control your one and only life! The battles begun, Victory in sight all that is needed is show your true might and YOU can knock down this house of cards For they have nothing if this opened your eyes! Folks,

This is Armageddon it's good against evil This battle, We can not loose!

Let's look at some Agencies that are built by false might and some little things that will make it right.

How about the I.R.S. There game is exposed on all the destruction they flaunt so bold. The cost of doing business is to high and is designed to hurt the little guy. With a tax on consumption business would thrive as everyone competes to buy more supplies in order to produce more than the other guy. A tax on your income is really a scam and does nothing

but hurt all those that do not understand all the laws all the parasite demand.

Now take a look at this war on drugs and how it supports a parasitical few. They have the guns they have the might but do they honestly have the right?

They will steal your car and ruin your life all in the name of this imaginary fight. But With them all gone the prices would fall eliminating the need for the powerful mob. The drug wars would end, thieving become obsolete as the last few junkies go to the graves they seek or find reality and seek a new high of a productive life.

How about the FDA and all the cures they ban that could benefit all of man, they need no proof on what they say, It's no good , go away. as an honest scientist holds a cure for death. These minds are responsible for millions of deaths?

As for me the biggest joke is labor and industries they have on the coast, These clowns are bold and the cost of them is an outrageous hoax. They all could be eliminated in this electronic new age all it would take is an internet page! It would weed out the few that seek to take advantage of you. All there fines and there fees really put business to there knees and raise the prices for those who don't understand.

When you think about it honestly, you will agree, There is millions of new answers when you think the right way! I really didn't mean to piss you off but there is a whole new world coming when you open your eyes now learn to expose those that that use obsolete tools. Let's finish this war and vacation on mars!

Everyone is welcome on the right side

**Stand over here, SEE... YOU WERE BLOCKING THE**

**VIEW!**

**>> THIS IS A DECLARATION OF WAR ON INSANITY >>**

**It all starts right now a pit bull is born!**

This isn't about anarchy, overthrow or revolutions, it is about replacement! EVOLUTION over ALL other choices.

Reality really is right in front of your face and

**existence DOES exist**, It is so simple but sooooo profound...

**This is the knowledge Jesus was crucified for seeking to share.**

ALL your life until today was criminally STOLEN from you and IT WAS YOUR FALT! God gave you only one life and you took the path of least resistance. ALL your problems are the results of YOUR not taking YOUR responsibilities serious! IT IS YOU who has disrespected gods house!

How could whole fields of knowledge Not see real reality?

Banking, economics, accounting, law, money, science, education, religions, and a whole lot more slip into the groove of in the box thinking because it was taught us from a faulty root source. The people just follow without a thought, Like a cow. Do you Think a German CC camp murder was just born evil? Some were teachers and store clerks! IT WAS PUT IN THE MIND! The people who manipulate this world do not think like you or me, If we treated a cow like they treat human life, we would face charges and national attention! How did a whole country give up freedom to fight for their slavery in Communism. Why did we give up our lawful money of gold & silver we could own for "Credit?" Why do we have more cancer and diabetes than 3rd world countries? Why more laws and social ills? How can we have judges that dictate the law and it be real law not a vested interest? Why can they make law only they can understand and use? Why do we kill and die for those who enslave us? Who is the real evil ones? Us the slaves, Our masters, or the ones they work for?

I now ask you to; SHOW ME a government, a religion, a state, or who owns me? How can we kill a leach if we have no salt but stay away from being the food source?

**This is gross but true,**

Adults carry 5-25+ pounds of rotting shit in their body causing coated guts, bloating and gas, as it rots on our inside, it affects our whole body and health. Just by flushing our system, we can remarkably advance our health! It is the same on every single level. On personal, The block, The city, state, country and world We have parasites sucking us all dry, Resistors to our goals and happiness. Like any form of parasite, they will feed until they kill the host, it is their nature.

### **THE WAY IT >>>WAS**

**TODAY** They can rob, lie, assault, coheres, jail, and murder us at will and not one dare defend themselves and it is called law

**TOMARROW**: These people will be known and exposed traitors and terrorists

**TODAY**; They are feared and at the top of the food chain

**TOMARROW**: They build their own graves as their victims wake and can see them and act. TODAY. the most sincere> brutal psychopaths rule the world

TOMARROW. their will be none and their followers will be tithe hell they tried to do to us.

**TODAY**> they thrive on fake laws , money and power.

**TOMARROW**> The laws they made will be used for justice.

**TODAY**> We live in the most dangerous, violent, criminally insane nut hut hell insane asylum.

**TOMARROW**>A bright Honest new world order! law will be law, money is not debt, reality is real and all social ills cured,

**WE WILL LIVE IN HEAVEN ON EARTH!**

The lines can be blurred but the lines are always clear on good and evil, right and wrong and sane and insane. With the right education, ALL CRIME WOULD END!

What do you do when you discover everything you have ever believed is a lie? That your entire life is a huge delusion of

complete and total insanity? That this entire world was put together backwards & upside down? What if it was all done to support an entire class structure to feed off you? What if all crime and social ills were to be discovered to be rooted in this exact class UNNATURAL structure we all learned to think in? What if it all was the root cause of this nut hut hell we call home and YOU could end it all today, FOREVER, Just by seeing what is right under your nose but YOU NEVER SAW IT BEFORE! This is the direct result of over 25 years of hard research and I do not make these claims lightly. YOU were born a slave and will die a slave in this matrix of delusion, Robbed, used, abused and getting dumber every day. What If I proved to you, YOU are blind, deaf and dumb, just like you are supposed to be to fit in to nut hut hell. What if I prove to you that YOU are a direct victim of the biggest war crimes in human history and without this information, YOU will protect those who did it to you with your death if need be? I am going to give you a little test for you to quickly see if I waste your time. What if Your Government made a law that stated, YOU must kill another or kill yourself? Would you be a murderer or dead? Do moral and natural laws really apply to all or just WE THE PEOPLE? who has the right to "Grant or take your human rights? Is that not the real essence of both Government and religion? How is it Our officials all take an oath to protect and defend the Constitution and our rights but it is they who steal them? Why is 95% of the Constitution TOILET PAPER when we have all these people protecting it from... THEM?? What is the reason and purpose of law if it isn't to protect ME? A minority of one. Why else would I want to fund" Law or Gov" if it wasn't for my personal benefit? If a candidate I vote for loses, How am I considered to be represented? What if he changes his stand, Can I take my vote back? Why is it we fear our paid public servants > OUR EMPLOYEES? What if I so completely overwhelmed you with new concepts that your whole world will just fall apart and a new world would appear? I seek to show you this whole world is an insane asylum and YOU are in it. In Fact, if you didn't already

know this fact, It is 100% proof of everything I state! You can judge me a nut when you finish! I believe, If you are given the right info, YOU will do the right thing. What we are doing now is not working, no one has any idea how to fix it because everyone is in a 10“ deep hole and blindly, we just keep digging. Today, Every American is being called out to answer for their existence.

### **A LOOK BACK AND.....**

First they came for the kids, The dim and handicap and I kept quiet, Then they came for the Jews and I wasn't a Jew so I remained silent. Then they came for the Gypsies, criminals and inferior races and it was best to remain quiet so I hid. When they came for the Catholics, I was too afraid to say anything and didn't. I could only pray, Then They came for me and their was no one left to protect me from them. Nazi Germany 1932

### **Today in America, the good old USA**

First they rounded up the Indians and we rallied around the slaughter and taking of their lands for a few beads and bottles, as savages didn't deserve it. They gave out diseased blankets, winter round ups, winter barefoot marches and mass starvations, we took the lands. For the good of all, we made heroes of those who did the dirty work. Then they came for the blacks living here as the secrets of plunder became more refined and the rulers learned to hide in plane site until it became un- effective and a new game was born They freed the people who they enslaved. So next they came for the drunks in the days of probation they found new ways to make

crime and criminals but the people were not so asleep and it didn't last long. next they targeted the drugs and started a war on us all with. They used this class to plunder all and had us help save us all. They took Cocaine out of pop, Sears & Roebucks and all the stores to increase the profits of this war on life. They turned neighbor against neighbor son against dad, With road blocks, swat teams, dogs and guns they took this serious and busted them all as we stood silent glad it wasn't me.. They built A.B.C. Agencies to fulfill the path of why the Declaration of Independence was needed way back then. Again as we keep going along with the enslaving us all. They bleed, kill and enslave us and no one will see a thing a thing, Didn't we learn anything from history? what next, cigarette swat teams?

### **A Space alien view of Earth, Life, and a thing called power.**

To planet zepop this is QR11 coming to you from galaxy 27.

I'm monitoring technology on the planet called earth and the primitive tribe that holds back there world. There battle is entering the critical stage the battle that will determine there whole worlds fate. The battle of what is good and what is evil with 3/4 of these beings not knowing what is real. I seriously hope they solve this riddle I hate to see blindness wipe out another world. The battle of progress and good use of the mind vs. the battle of illogic that kills conscious beings. It's the same battle all advanced life must all go through I can hardly remember it, it was light years ago. From what I remember it involved two different minds the producer of values and a parasitical few. One seeking to benefit one seeking to rule. Two different minds seeking two different goals I have watched it destroy too many worlds. It's hard to believe we were all once that blind and didn't see life from a cosmic mind. To give up tradition of following a leader took

our planet to the brink of nuclear war. It was a matter of survival that made us use our own minds and that led to the discovery of two different minds. The goal of conscious life is to live happy, prosperous and free and to forever use your knowledge to better your world. Happiness is earned adding values to life, that is what benefit all other beings. It can only be acquired with good things you do, only traded for the benefit of you. There is still a lot of beings down there still living a lie taking happiness and values from the ½ conscious beings. Only when a conscious mind can truly and honestly feel it earns it's own way will it experience the true joys and true happiness of life. If only I could beam down this one piece of advice, think about it honestly...

**Republic VS democracy?** Remember Bushes goals of spreading Democracy around the world? Remember this “ And to the republic for which it stands?” What an amazing game played on a dumped on nation and world! No democracy has ever survived as it is simple mob rule, ruled by the ruling class. They make the laws, vote among themselves and PRESTO! A new class of criminal & income scorce for them all! You pay them for breaking what they decide you shouldn't do.

Political agenda laws eat real human life and the mob is a ruling democracy! In a Republic, the law runs the roost, you can be free and safe in your own home as long as you hurt no one, no one will hurt you without trouble. The facts are, It matters not what you call it, They do have a goal to rule you and be above you, only time slows their goals. It Makes no difference what they call it.

### **Affidavit of facts;**

on 12-01-05, I opened a **SAVINGS** account at;

**NORTH LAND FEDERAL CREDIT UNION In Fargo North Dakota** with a check written out to me from a Canadian company called A-1 Bags.

. I waited 2 weeks and the bank called me and told me the funds were available.

.I then **PURCHASED** certified checks and bank money orders FROM this bank.

A few days later, The bank called me and told me the funds were no longer good and to bring back the CERTIFIED money I PURCHASED. from them?

> **IT WAS A SAVINGS ACCOUNT,**

> I did not seek or want a credit account!!!!!!!!!!

> THEY were my “professionals”, I did depend on them 100%

> I did not sign any loan agreement nor wanted any credit.

> They told me the funds were available in my account.

> They **SOLD** me the CERTIFIED money orders and bank checks.

> I DID NEED CASH FOR THIS PURCHASE,

> I already used them all for personal obligations of my own.

> **I did know the banking system and the law, I STOOD ON IT.**

**This was the total extent of my “crime” I STOOD**

**For this, I was sent to prison for 5 years, My family and life were destroyed and You paid 1/2 million dollars to do this to me.**

### **WHY??**

**I did try every way possible > OUT< of their system to resolve these issues including dealing with B.C.I., F.B.I., US marshals, Homeland security and the entire North Dakota legal system. I challenged them and they used “YOUR/ THEIR” law to**

**destroy my life at your expense and I hope, IN YOUR IGNORANCE.**

I knew I DID NO CRIME, and so did they so I challenged them with the law. I knew I was 100% innocent and made sure EVERY; Judge, Lawyer, Cop, Sheriff, Public official of North Dakota and as much of the FEDERAL GOVERNMENT AS POSSIBLE, knew it. They all are your employees and Their is not one that can claim ignorance of the material facts of this case. I did not trust the system and it was quickly proven I had good cause Not to.

The bank was represented by SERKLAND law firms Rodger Minche. in a civil action to collect. I demanded a jury trial out of NO TRUST in this Government. From 25+ years of study and experience and as my right and their duty according to the law.

They never gave me any due process and Violated EVERY right & pushed this civil action on me with no chance for defense. I Put up web sites, sent e-mails, faxes and letters. I made a web site of my full defense and charged THEM all with theft by deception, fraud and treason and proved it all. I showed, I did know what they were doing and I OBJECTED, very loudly and openly. I was offered "Take down your web site and WE will drop all charges." I refused because I DID NO CRIME and was slandered in the Fargo Forum, WDAY and almost all news sources of North Dakota.

I was Then arrested for threatening a public official! Judge Wade Webb placed a \$100,000 bail on me, is this a reasonable bail for a misnomer harassment charge with NO THREAT? It was a made up charge so they could put me in jail and take down my web sites stopping me from defending myself. FROM THEM.

Their is true criminals with way less bail than this.

I was kept in a state of involuntary servitude for over 2 years, in and out of jail for everything they could think of WITH NO VICTIM BUT ME. I WAS MAD.

When I was out of jail, Every day, I educated this Government of Why this country is dieing and proved to them, IT IS BECAUSE OF THEM, and YOUR ignorance, I was totally ignored. In jail, I was given a 3 foot pile of UNREAD legal briefs in my defense and

factual reasons I would not cooperate with any of them It would be against my religion, The law and MY best interest. I demanded a jury trial, It was for over \$25 and it was MY RIGHT and THEIR duty. I was In and out of jail for NOT playing by their rules in YOUR COURT HOUSE?? I was told by my “lawyer” Steve Mottinger, If I do not take his plea agreement, “I WILL HELP CONVICT YOU”. It is all recorded on the Cass County jail phone and I tried to get a copy, but was told by the Sheriff, ”our phones do not work this way? Try saying something THEY can use! I do have proof of EVERYTHING I CLAIM!.

I spent 2 years and a ton of kangaroo court hearings seeking to prove my innocence and clear my name. I was a professional property manager who lived in and ran LUXURY down town Seattle High rises, Condo complexes and 5 star resorts. A criminal record would destroy my career and I KNEW WHO THE GUILTY REALLY WAS.

It is this criminal system YOU FUND.

By fighting these people , demanding they do their lawful duties, I almost cost my brother and his boy their lives for standing on the laws and oaths of YOUR employees, Again, I can prove everything I say 100%.

I was staying at my brothers home because I could not concentrate on any work with my life in limbo and I could not let these people get away with this. I have been a home maintenance contractor for a lot of years and he is owner of Dan’s masonry restoration in Fargo. My brother raised a family of 2 boys, got married and supported 3 girls and a wife, while he started this business, purchased a home and then was destroyed by this criminal government of thugs. He was jumped at the back door of his home by the Fargo police, in the middle of the night, In total darkness, With No warning, the police jumped, beat, mace, tazed, and sent him to the hospital, then prison for 2 years for “disarming a cop.” While in prison, This North Dakota Government STOLE his lake lot and tried to STEAL his 100% paid off, totally remodeled home for 6 thousand dollars in property taxes he could not pay while in

prison. While he was on parole, They set up his son to sell drugs seeking to make him a snitch for another bust. They threatened this 17 year old kid with 20 years in prison if he did not play along and be a snitch. He hung himself in the basement of Dan's home who cut him down seconds before he was dead. He was in a coma for 3 weeks and is now disabled for life for crimes THEY are guilty of. I was charged with theft by deception and was sent to prison for every day of 5 years and wrote this book so this does not happen to others. I have spent most of my life in deep study of what all is wrong with this world and the bottom line is IGNORANCE, This will end today, FOREVER.

And you can start by just key wording in; **North Dakota Corruption here is just one!**

North Dakota tops analysis of corruption

By John Fritze, USA TODAY

WASHINGTON — Its largest city is legendary for machine-style politics and its elected leaders have been under investigation for years, but by one measure, Illinois is not even close to the nation's most-corrupt state. North Dakota, it turns out, may hold that distinction instead..

These are YOUR employees, YOU Do have a responsibility for their actions. Do you fund terrorism and tyrants .....for your own personal needs? Do you not know or understand that YOU are responsible for the people you hire and work under you? THEY ALL ARE YOUR EMPLOYEES. If you would look at all the facts, We all were the very richest, freest, most productive people

in all human history. That would mean, YOUR employees are in fact, the most evil people in human history. Today, we are the most Regulated, enslaved, biggest debtors, most lied to, used, abused, dumb down, SHEEP in all human history. IT IS YOUR FALT. I challenge you to study this, It does affect YOU, your loved ones and the entire human race.

I will attack your security, sanity and decency because it needs to be done. You will never finish this study but the longer you explore my case against YOU, The more competent, powerful and honest you will become. Try this task as a starting gate to test my motives.

Make a chart of the years 1900, 1930, 1960, 2000, 2011, Now, Explore North Dakota and another state you of your choice. Find the populations, cost of living ( homes, cars, kids, food and whatever!), The # of government employees, # of taxes, laws, crime stats, political/ victim less and violent crimes, jails, judges, lawyers, cops, drug abuse, and every single thing you can think of. We are sliding down hill to hell very fast. You can not claim ignorance any more and the numbers will not lie. It will prove who and what you truly are as their is no way freedom can last if you don't even know or care what it really is. I do not care what you think, your actions are hurting ME and my family, I do care about that. I am going to wake you up, show you the facts and give you the tools to fix the problems, **FOR MY OWN GOOD.**

I do not ask you to trust me on anything I say, In Fact, That is why we are where we are today. I am asking YOU to use your 3 pound brain for more than a hat rack.

NO GERMAN NAZI THAUGHT THEY WERE NUTS EITHER. Today, how many A.B.C. agencies are their regulating our lives? Lets just explore some of the bigger ones and see what's inside and underneath it.

### **I.R.S.**

It is not about the money, It is about armed robbery, theft and sadistic power. These people feed off and totally destroy the small business. It is all but impossible to start one any more as they are

hunted for not having the knowledge or cash to pay the protection racket for the multi national corporations. These people are responsible for MASSIVE human destruction. and raise costs for all.

**Watch the Google show”**

**From Freedom to Fascism**

### **F.D.A.**

These people block natural and cheap cures to all sorts of ills. It takes millions to put a new drug on the market because of these people but look at all the harmful drugs out there who paid them. They seek to outlaw the cheap and effective for profit. There is more money in “fighting” the ill than curing it. Through the library, read Edward Griffins book,

[World without cancer.](#) It is by far the best investment in your time their is! or watch on Google; [None dare call it Genocide,](#) and [unholy alliance.](#) As a start for your study.

### **A.T.F.**

These people are responsible for all the gangs, mobs, home invasions and all drug related crimes. They have made it so expensive for the addict they are forced to get the money any way possible. They put the profit into selling drugs and have killed a lot of people because of it. In reality, Sugar is 100 times more harmful and destructive to our kids and bodies than even heroin! They manufacture crime and criminals like the booze ban of the 30 and 40s made Capone. For every action, there is an equal and opposite reaction. That is the laws of reality and nature. Watch; [Terrorstorm](#)

### **F.E.D.**

**This isn't even a government agency!** In the phone book, it is in the business section! it is a foreign, for profit, corporation! all the officials do not take an oath to our constitution, HOW COULD THEY! Section 1 of the Constitution # 8 & 10 State nothing but gold and silver is our lawful money and it is coined and given value by congress. This is the reason for this total hell on earth we live in! I can give you TONS of real facts on this TREASONOUS

money system and what it has done to our lives and country YOU need to study this as this is the root cause of all social ills. It is a money making enterprise that feeds off YOUR labor and life. Watch, read and study this. There is a ton out there on it; the Federal reserve scam. I don't want to be accused of "influencing" you but it is time to wake up to reality. check out Actual\_and\_constructive\_notice\_of\_betrayal\_and\_perfidy\_of\_betrayal\_and\_perfidy

- > YOU have put my grand kids over 108 dollars thousand in debt.
- > They did print the money but didn't print the interest.
- > It costs \$240 to print 1000 bills \$1 or \$100 We pay the face + interest.
- > STUDY IT! We haven't had a lawful Gov. since 1929
- > Every home, car, kid, and life is pledged towards the national debt.
- > EVERY government. agent is in treason and YOU fund them.

**Did you know, With enough study, Every single loan can and should be canceled for fraud and It would save this country and kids doing it? Isn't, this worth exploring?**

**What did; Kids, the dim, convicts, Jews, Indians, Mormons, Blacks, Catholics, witches, doctors, French, Writers, Germans, rebels, terrorists, Koreans, Asians, drunks, druggies, the lazy, Russians, scientists, Chinese, Japanese, Aztecs or about every single class of human have in common? They were all grouped together and labeled a disease that needed to be cured for the good of all. Why did they die? Simply because of ignorance. They did not know how to defend themselves and were helpless against the rage directed at them. that let the reality of the times win over the reality of life. They were victims of a group who needed someone else to blame for the problems of the day. Historical research shows that all wars and dark periods of human history are a direct result of ignorance, vanity and propaganda to run a machine of mass destruction over the human population. You may not think this affects you but it**

**does, on every single area of your life. At the very minimum, YOU are directly responsible for funding, aiding and abetting real war crimes against the human race. The facts will prove beyond any doubt that YOU are guilty. Ignorance of the law is no excuse, YOU fund mass theft, murder, and slavery. Today, you will discover you are complicit, guilty or misinformed to these charges. After today, YOU will be held responsible for your actions and inactions. That is LAW**

Like the laws of gravity, Natural laws apply to all. If an animal does not store enough food for the winter, he will not see the spring. Like the 10 commandments, it was put in all humans to feel the pings of guilt when they live contrary to moral and natural laws of man. When we damage another we should feel guilt. Are we again ignoring these pings of actual reality? The facts will prove, we are. It is this ping, the people in the taker class seem to loose upon entering the ranks of predators of the human race and it grows worse over time and through the generations as the tools become more refined. In no way is it moral or natural for one human to have real authority over another, It goes against all human nature and the laws of action > < reaction. In no way is it natural for a human to loose the feelings of self worth and this is the biggest crime of the entire human race. This will expose the taking class who live contrary to what nature demands, "as long as we do what we are told, we can coast through a life of effortless and safe existence, As long as YOU PAY." This does not appease the inner conscience of man and builds anger, resentment, jealousy, criminal and sadistic behavior. It is our human nature that has turned sour and seeks pleasure in pain as everyone needs to feel something. We

never learned to think as NATURAL Humans. We can not earn happiness or respect in this upside down nut hut hell we live in. We substitute and try taking happiness from others in thousands of ways not even noticed. but it is because we were bred to follow authority. Like any government employee, They do not have to earn their respect or impress their forced customers and it takes the living soul out of a human. A judge on the bench is not using natural law but statues and codes and the longer they sit, the more obvious it all becomes. Natural laws of nature is damaging them on the inside for what they do on the outside. There is no, and can never be no genuine happiness from any of these people who live at the public trough and it does affect all society. These people have built this hell on earth simply because this is all they can build. They can never feel or live with the profound happiness of the productive class and only seek to destroy us. They are deep down, bitter people who live in a fiction that is contrary to mans programming, They fear and shun The light of honesty, the light does not shine inside them.

Today, the entire world is an insane asylum with false philosophy, false laws, authority, morals, standards and all concepts of good and evil. It is impossible to break free with the educations of society, Schools, Courts, Military, hospitals, in the workplace, on TV, in homes, and relations without the tools based on total honesty and reality. I will challenge you on every single area of your life. I aim to smash your security, sanity, and YOUR world.

ANYTHING you disagree with was put here for a reason, only when you finish this entire book will you reap the thousands of rewards it offers, or... mabe I am a nut?

# RIGHTS Vs. REALITY

Let's look at American freedom. Let's investigate exactly what it is that we are free to do:

## **Driving –**

- requires multiple Ids,
- insurance,
- registration,
- and licensure.
- Driving surveillance cameras are literally everywhere, much as they are in Great Britain.

## **Working –**

- requires resumes,
- curriculum vitas,
- Social Security numbers,
- medical histories,
- RFID passes,
- driver licenses numbers,
- parking passes,
- Federal Income taxes,
- State Income taxes, local taxes,
- documentation of the numbers of your children,
- mandatory attendance,
- annual, documented, and data based performance ratings, assessments much akin to school assessments, etc.

## **School –**

## **Housing –**

- requires 50 to 100 signatures on 50 to 100 forms to buy houses,
- credit reports from 3 agencies,

- a corrupt lending industry that includes loans mandating life-long credit histories,
- financing schemes that protect banks while financially devastating consumers,
- Eminent Domain,
- land use laws,
- deed restrictions,
- water use restrictions,
- well drilling restrictions,
- building restrictions,
- water regulated by the EPA,
- water meters,
- gas and electric meters,
- power and water governmental administration and regulation,
- toilet regulations,
- sewer regulations,
- mandatory cable television (TV's don't work anymore without cable subscriptions)

#### **Recreation and travel –**

- requires licensure for hunting,

- registration of firearms,
- RFID technology inside of firearms (trackable),
- mandatory credit card use for vacations,
- car rentals, insurance,

- airline tickets, etc.,
- mandatory searches of person and luggage,
- mandatory ID, etc.

#### **Communication –**

- radio requires Federal Communication Commission regulation of airwaves and programming,
- electricity is regulated by the Federal Energy Regulatory Commission,
- telephones are regulated by the Federal Communication Commission,
- all telephone conversations are now permitted to be listened to by governmental agencies,
- all email is now observable,
- executive orders allow for the spying and taking of all communication devices in an undefined national emergency,
- all disagreement with American leadership, including what is termed as "Constitutionalists" has been designated as acts of terrorism not only by John Ashcroft, but also by the FBI via their Megiddo Program, Patriot Act(s), and Internet regulations, monitoring, and surveillance are growing day by day.

#### **Services –**

- any and all services now require ID including name, address, phone, credit cards, social security number, etc.

- Most (if not all) services now send their customer records to large data bases, which then sell your information to information brokers, who then re-sell your information to anyone willing to buy it.

#### **Birth and Death –**

- Instant social security numbers,
- instant probate court,
- instant taxes,
- instantaneous "system" tracking.

#### **Medical Care –**

- Instantaneous data basing,
- human labeling according to health issues,
- mandatory mental health "screening,"
- instantaneous bankruptcy due to medical costs,
- senior citizen abuse (physical and financial) via senior care facilities of all makes and kinds,
- mandatory vaccinations with known and manufactured dangers,
- refusal of medical care due to no insurance, and insurance only for the rich, the corporately employed, or the illegal alien.

So, my question is this – what exactly does freedom mean to you? And what exactly are you free to do in today's America?

## **Subjective Laws vs. Objective Laws**

Refer to <http://www.neo-tech.com/golden-helmet/new-words.html>

**Subjective Laws** include political-agenda laws conjured up by politicians and bureaucrats to gain self-serving benefits, ego props, and unearned power. Enforcement of political-agenda laws requires the use of force and armed agents against innocent people. ...The only purpose of such laws is to violate individual rights.

**Objective Laws** are not conjured up by politicians or bureaucrats. Instead, like the laws of physics, they arise from the immutable laws of nature. Such laws are valid, benefit everyone, and advance society. Objective laws are based on the moral prohibition of initiatory force, threats of force, and fraud. The only rational purpose of laws is to protect individual rights.

## **Definition of Natural Law**

Refer to <http://www.neo-tech.com/pax-b1/a2.php>

Below is Cicero's definition of natural law from his book *On the Republic* published in 51 BC (substitute the secular word "Nature" for the mystical word "God"):

"True law is right reason in agreement with nature, universal, consistent, everlasting, whose nature is to advocate duty by prescription and to deter wrongdoing by prohibition. Good men obey its prescriptions and prohibitions, but evil men disobey them. It is forbidden by God to alter this law, nor is it permissible to repeal any part of it, and it is impossible to abolish the whole of it. Neither the Senate nor the People can absolve us from obeying this law and we do not need to look outside ourselves for an expounder or interpreter of this law. There will not be one law at Rome and another law at Athens. There is now and will be forever one law, valid for all peoples and all times. And there will be one master and ruler for all of us in common, God, who is the author of this law, its promulgator, and enforcing judge. Whoever does not obey this law is trying to escape himself and to deny his nature as a human being. By this very fact, he will suffer the greatest penalties, even if he should somehow escape conventional punishments."

HEY, They don't go by the one they swear too so..

## **The Constitution of the Universe**

Refer to <http://www.neo-tech.com/pax-b1/a1.php>

(1976)

Preamble

\* The purpose of conscious life is to prosper and live happily.

\* The function of government is to guarantee those conditions that let individuals fulfill their purpose. Those conditions can be guaranteed through a universal constitution that forbids the use

of initiatory force, fraud, or coercion by any person or group against any individual.

\* \* \*

## **ARTICLE 1**

No person, group of persons, or government shall initiate force, threat of force, or fraud against any individual's self or property.

## **ARTICLE 2**

Force is morally-and-legally justified only for protection from those who violate Article 1.

## **ARTICLE 3**

No exceptions shall exist for Articles 1 and 2.

\* \* \*

The Constitution of the Universe rests on six axioms:

1. Values exist only relative to life.
2. Whatever benefits a living organism is a value to that organism. Whatever harms a living organism is a disvalue to that organism.
3. The value against which all values are measured is conscious life.
4. Morals relate only to conscious individuals.
5. *Immoral* actions arise from individuals who harm others through force, fraud, or coercion -- from individuals who usurp, degrade, or destroy values earned by others.
6. *Moral* actions arise from individuals who honestly create and competitively produce values to benefit self, others, and society.

## **[The Predatory Class Vs The producing class](#)**

Most people are also aware of the exploitation of citizens by real criminals. These exploiters steal goods, destroy property and murder people. These people are widely known because they are publicized in the popular media and did real crimes. My concern is not these people

or their actions. Instead, this document is concerned with shrewd exploiters called the human predatory class. Rarely are their exploitations publicly revealed; therefore they go unnoticed by most people. And to make things trickier, the human predatory class operates in the societal arena, which clearly lacks airtight algorithms. Members of the predatory class have gravitated to an arena that is riddled with loopholes, confusion and disagreement. That arena is the social-political realm. And while operating in this arena, members of the predatory class wield confusion and disagreement as tools of diversion while they exploit loopholes in society. When the predatory class discovers a loophole and exploits it, intelligent people are commissioned to write treatises that justify this exploitation. Both the predatory class and its intellectual supporters benefit. The predatory class applies new methods for expropriating wealth, which is always done through coercive or deceptive tactics. In practical terms, this means intellectual supporters live in material prosperity and protected comfort while they justify the actions of the predatory class. The predatory class builds itself a fortress of social intellectuals to justify its relentless exploitation of societal loopholes. But as will be revealed soon, the predatory class is a small part of the people. The supporters and profiteers are the criminals that exploit the political-economic system. Their prime tool is government, look around, what is it? A word used as an agent of plunder. Until recently, people did not know or could not agree upon the proper role of government. The predatory class has flourished by using government as a vehicle for exploitation. The people that benefit the people are the prey. It is not blacks, whites, Jews, Christians or Muslims. It is individual people that feel they have a right to some one's life, that they are above the

law, a universal law of right and wrong . This illusion that the Government is anything but a word, a cover for real people must be shattered if we are to survive as a race of humans. It is time to flush your mind of the garbage and look at the bigger picture. This trial is for life. This is what I trained to do to make it right. Studying. This trial is about finding the real enemy of the people. Every single person will make there stand right here today. This is the war of two worlds. You will answer these questions today, are you a predator or a producer?  
Will you help or hinder true justice?

## WHY?

YOU are the same class of people that killed Jesus, why?

Why do you show total hatred and disrespect for human life, the law and the or people that pay for you?

Why do you rob us of life, money, liberty and happiness?

You take an oath and do exactly opposite of what you swear to do yet we are forced to pay for you? Why do you threaten us, steal from us, or kill us if we resist,if we try to protect our selves from you?

I want to know how you cansleep when you damage others and call it right or "the law"?

The law is you don't steal from others, you don't use force except for the defense of yourself and you respect others rights and property. Is that not the law?

What is a person to do when defending from you people calling themselves Government that

think they have the special powers to be above the law? I have openly asked each and every one of you, where is my victim? Where is my crime? I have tried everything and you people just keep ignoring me, you close your eyes to the real thefts and crimes you do every day? What kind of people are you? The acts you commit daily in the name of the law, and against real people make you nothing more than dangerous terrorist, real criminals with badges, guns, fake laws, fake power and Corrupt courts, cops, lawyers, judges and systems of total injustice.

You hide behind "color of word"/"color of law" (which is a crime) used to commit acts of extortion and fraud. You force your fake power with tools of destruction. This makes you the worst kind of criminal there is.

How can you ever be happy knowing you are nothing but evil minded puppets that enjoy the power to destroy human life?

Stand back and take a good look from a real, honest, human point of view. Try to understand. You are paid to destroy our future and and children, you willingly do it. The fact is, you produce little or nothing that benefits the human race.

You are of the entire mind that killed Jesus, burned witches and mass murdered Jews, Indians and others. innocent of any crime. What were these peoples crimes? I want you to know this, you, personally, are responsible for destroying MY future and family. You will kill me because that is your nature, you destroy. You were hired because you lack the morals, Integrity ethics and intelligence to

discern between right and wrong, you have lost your basic human qualities that made you a value to others and now, you are too far invested to even understand what you have done.

How many people have you actively participated in killing? Robbing? Destroying? for no real crime other than trying to protect themselves from you?

How many millions of dollars have you actively participated in stealing from honest people?

Just how many lives have you destroyed enforcing the countless frauds, thefts, crimes, and blatant criminal acts you pursue every day? How can you live with yourself knowing what you do for money?

You are destroying your own kids and their future and I need to know why? You have stolen my money, my future and past. you have ignored the truth of what is right and wrong and you have ignored reality. I give up on you, I will never give you any respect and you will never beat it into me. I will never cooperate with you because I know what you are, a humanoid. I would never have met you if you were doing your job of protecting the people. You came to rob me.

You will go on mindlessly robbing the people, you will go on stealing, damaging, and killing, because that is what you do, that is who you are. I will never offer you again the chance to do what is right or help you reform your mind into an honest human, you have chosen already. You have mutated into a humanoid and you will be washed off the face

of the earth, so your own children can have a future, you must not. You will not be able to destroy our kids future, you will not survive the truth or the future and it is 100% your fault. Honesty will kill you like your dishonesty will seeks to kill us.

## **Philosophy**

**Today, YOU live on a marshmallow with no solid foundation and you get tossed, used and abused because of it. tomorrow?**

**Over the centuries this most powerful of mind tools has been used as a tool of mass destruction on every single level of human life. This whole world is in shambles not because the human race is evil but simply because we have been fed a false philosophy all our lives to support a class structure. I don't know about you but I was born a human and being dominated and controlled goes against my better judgment, my human nature & best interest as who can claim authority over my life without a conflict of interest? My goal is to prove to you, Your life philosophy is the root essence of every single social, mental and physical ill of the entire human race, and this holds true through out all human history. YOU are the fixed center of your reality! It all boils down to the fact that no one can get, give or take the power they seek and crave in this powerless world. NO ONE UNDERSTANDS THE ROOT ESSENCE OF POWER. From starting a war, to fighting in it, to dominating another, to spanking a kid to a speeding ticket, to killing another in a crime. It all is about the concept of power**

**and philosophy that dominates the individual, humans mind. No one is taught critical thinking and wide scope accounting or the use of this power tool to dominate the destiny of your one and only life. From the lowest of life forms to the highest of the human race all are placed there simply because our minds placed them where they are, over or under you but not equal to you.**

**All our leaders today have relentlessly abused their power and control philosophy to take from us. But these shells of humans live in all social classes and positions of life, it is the elements of criminal thinking that grows and mutates with every success. Today, this whole system is jumping through hoops seeking to get you to follow, sacrifice, contribute and obey, to keep the status going. There is only 2 distinct philosophies on this planet and apply to all reality and life. There is a reality with independent and honest thinking like Aristotle or Plato's philosophy of leader type thinking of governments and religions where reality is what the educated elite wish it to be, It is not knowable to us. Ignorance of this law is no excuse and we are where we are as proof. Divide and conquer is the rule of success in this crazy, dangerous and upside down hell we all call home. This whole concept started centuries ago, probably started when someone divided the lands and made borders to defend like chess pieces on a board.**

## **EVELOUTION**

**The signs are everywhere, this world is falling apart and there is no stopping it, Our minds and societies are falling apart and breaking down and every attempt to**

**stop it is only geared to cover those who are responsible for this collapse. Any fix presented is to keep the power structure in tact. When you study it, the same cycle always has happened and as the saying goes, Insanity is doing the same thing over and over expecting different results. It is time to grow up and exit the insane asylum. If not for yourself, do it for your kids. The jobs and good years are not coming back until we fix the root essence of the problem. We can do it now or be forced to as survival pressures take over. There is simply way to many people living on too few producers. And the problem can not be fixed with business as usual, YOUR thinking habits is the root of ALL the worlds problems. In sports, winning is everything but when it goes into Gov. Religion and personal powers, It is a weapon of mass destruction on us all, especially our kids who will not survive a next generation of lies built on lies enforced by threats and violence. These people work to take, dominate, control and destroy all that is good and needed for human comfort and survival. The average person can not understand the reality of this because over the years, every single "A point" has been covered for the survival of them all and "THE POINT is simply lost. We simply reside in our spot of powerless on this planet for fear of more loss while the successes of our oppressor builds more ruthless and sadistic behavior every day, deep down, they resent, fear and envy the simple, honest happiness earned by the productive class they can and will never experience it by staying in their world of sad delusions and fake power. From the burning all the witches to filling mass graves, this is the**

only direction that they can lead us to. It always ends in Mass destruction, slavery and murder when reality asserts itself. It is now the peak time to throw this insane world back to hell before it takes us all with them there. By throwing the total insanity of their ways right into their faces. Exposing them to their own incompetence, lies, crimes, and wicked ways of destruction will do way more good than any weapon known to man! The more you learn to think wide, open and honest, the more you will discover this new, clean, healthy and happy new world we all are destined to receive. The truth will set you free! These people only thought of themselves. I know, This adventure will last the rest of your life. The best advise I can give you is the first time through my mush, read it as fast as you can with your defenses on their very highest alert but your mind open. I can and do attack the whole human race, your life and world from so many different angles that it will totally overwhelm you! This is a thinking power tool! I know, you will doubt my sanity and think this a waste of time but **TRUST ME**, the harder you try, the more you will see, There is a whole new world order coming and this is a tool to help you reach your own personal heaven. You will never look back and you will always wonder, "Why didn't I think of that?" Just changing your point of view, will change your entire world! I can honestly say, You will learn more in the study of this book than in 50 years of the best collage classes! Do you want to fix or fit in? Do you want to lead your life and loved ones into the future we all can live with? Read this for your family and pass it on to everyone you know and care**

**for. When you discover the light, Help me shine it on all the People of North Dakota. You can use it to help cure the sick and bitter! I know, when you see the light and power of profound honesty your world will simply end and this new one will take over. Remember, the farther you go into my world, the more mind blowing thoughts and concepts you will open in your mind to. This is a one way ticket to the future you only dreamed of. Try and prove me wrong on EVERYTHING.**

**YOU WILL LEAVE THIS PLANET AND NEVER LOOK BACK!** I will tell you Don't believe Anything I say, I did put in one false concept to test your thinking, write me when you discover it!

### **A SHORT HISTORY LESSON**

**When Man evolved into human consciousness and out of nature's guidance, we adopted a thinking, reasoning brain, it made us responsible for our actions where animals "just did and reacted." When the 10 commandments were introduced to guide man. The split of the minds of the old and new testament in the bible is self evident as society's were at crumbling and at war, living in chaos forced man to discover a new way of thinking for survival. In the old testament, People just reacted, They Slaughtered. but in the new, We had to think. In the new world of Human consciences.. Most longed for the simple guidance of instinct called mother nature and we still do today. This talks about the time before Jesus and the old mentality of the day were we followed the gods in our heads or the rulers who evolved. Then to hear "Jesus**

**spoke with such authority“ people listened when everyone was used to following the elite. Jesus came along seeking to evolve his fellow humans out of the brute force of the ruling class and into self control and personal responsibility that threatened the ruling elite, the bible is full of profound statements teaching this kind of thinking and the false mentality falls. You can study the bible and test my views, I do challenge you to! The first leaders of the day were simply stepping in and taking the path of least resistance to a life of power and control and Jesus was blowing their game! This was why both Government And religious leaders had him killed on the cross. For a political crime of expressing and confronting the different views of reality. The ruling class always need and use deception, coercion, brute force, fraud , murder, to rule and dominate the human race. It is the world of good and evil the bible speaks of. Man has been seeking heaven now for over 2000 years and to evolve out of this thinking hell we built for our minds ALWAYS looking out there when he was teaching it's in there.. Make no mistake, the ruling elite will not like or let this reality happen without a fight and it is why the middle east rulers are killing their people, YOU will be trained to out flank, out class and out compete every single one of them and see their tricks of survival. These tools are honest, practical and so profoundly powerful as to allow you to change the world with one finger! They can not, and will not survive unless they evolve or hold us all down, It is them who will need to change. In ignorance, they took us all to hell. This whole world is Upside**

**down, backwards, and totally insane from a open honest and wide point of view. Most all great thinkers throughout all human history have seen this but mostly lack the thinking tools to connect the dots. This book is the thinking tools and skills needed to start your future. Truth, honesty and reality is being bred out of us and our future is on the line, our kids will not see a future if you fail to wake up, The whole human race will be wiped out.**

**Centuries ago, a small group discovered they could take the roll of a leader and live a life of comfort and respect from their neighbors simply by dominating others into obedience. They would take the roll of leaders to replace the gods that dominated minds just like all the Animals on this planet. Mother natures guidance is needed for survival and man was evolving past the fight or flight thinking of animals. The more you will study and think on this, the more you will have to agree The burden of consciences is totally obvious when you can see history from a completely different point of view, This will be THE GREAT AWAKENING. This entire world will flip the way Jesus was seeking, as Heaven on earth is born.**

**THEIR IS TWO COMPLETELY DIFFERENT HUMAN RACES ON EARTH!**

It is the minds of two completely different beings with two completely different goals, one seeking to dominate and rule and one seeking to build and benefit the others, both seeking to create two completely different worlds. Way before Christ was killed for shining his light of honesty on them all. Who killed him but Government and religious

people?

The more you will study all this, the more this picture will become clear.

Anyone can now look around this world and see, this isn't what we signed up for and there is more than the two choices everyone can see, shut up and deal with it or just don't. How about learning to change it in the most honest ways possible, using the tools of honesty, integrity, and respect for human life?

## ECONOMICS 101+1

**Economic security is impossible without abundance and abundance is impossible without industrious, efficient production, production is impossible without an eager, motivated, creative and a happy work force, which is impossible without the incentive of material gain and profit. It leads to security, competence and value reflection. The profit motivations steadily decline as controls, regulations and interference by the unproductive class take more of the fruits of labor and the incentives for advancements from the productive class. The facts will show that All attempts to take, redistribute, and all other clever forms of taking what others earn is simply theft that lowers every ones living standards and harms all society. Let the facts show, the ruling elite and all their supporters of the taking class have to think on a totally different level. Every dollar they take is used to take 3-4 more from the productive class . Man was not born to need a leader, we were bred to accept one. If you have some doubts of this selfish**

view, think of this, say 3-4 people were shipwrecked on a deserted island, would they form a commission to elect a leader? Would the one elected be a ruler full time responsible for the health, happiness and safety of the others or would they all work or starve? The whole concept of authority over ones life is a false concept that makes Governments, religion and the ruling elite class. This is the root essence of why this entire world is where it is today! On a personal, community, City, State, Country, world and universal level, This rule and concept is solid and unbreakable. The fiction of the state is a fiction to hide non productive people but not all non productive people are in the state, the goal is to learn to spot them and render “them” impotent no matter where they hide, by shining the light of honesty on them ALL. **This is a race for heaven on earth!** When you can learn to see, confront and expose the evil mind malfunction that has taken us to hell on earth and complete insanity of all, The taking of what others earn at the barrel of a gun, through force, fraud or coercion is exactly what the true essence of law is for. It is why we all suffer. Economics show, there is as many takers as producers in this world and it is declining fast as everyone seeks to take. There is a whole class of takers on YOUR back, feeding on your efforts, happiness and freedoms. They earn nothing and drain all. Their goals and thinking process is 100% opposite as yours and this is the definition of economic genocide. Until you are willing to face real, reality, all their claims of being needed is nothing but a cruel and unusual hoax, way more cruel than an all out war as prosperity, happiness,

**peace and security is more than the absence of war it is being rid of the people who stand on your backs and hold you down, the...**

**shell people as I call them.**

You may think we all are created equal but it is because of a mass delusion of everyone's thinking processes. Our slave conditioning has totally taken over our rational thinking process and not one in a million can or will comprehend this fact. We accept what is dished out by these people because that is the way it has always been and no one ever learned to look past it all. These people are only human in appearance but when you learn to see them, no matter how nice and honest they appear, they are filled with evil and wickedness as the bible states. The more you learn to widen your thinking, the more you will see the wicked ones, the devil class, Like; Vampires, wood ticks, mosquitoes and leaches they always accused us of being. The bible is full of truth about this class when you change your view from what your religious leaders who fit in this class preach. It all is a clever game of building need to keep us off solid and unshakable ground. Their is only one reality and it is right in front of you. For over 2000 years now, Every single mental, physical and social ill can be traced back to this world wide human delusion created and perpetrated by the parasitical elite and all their followers. MOST, do not even comprehend this thinking but it does not really matter, **reality will hold everyone accountable** and responsible for this hell on earth we all live in. These people are not of the human race as they survive, thrive and advance in a totally different direction as most would wish for themselves and loved ones. Even in the animal world,

these are totally unnatural beings who prey and feed off the ignorance of others. With This book, you will confront facts that are totally open to debate.. I will show, They need this chaos to survive, **I don't, DO YOU?** The harder you try prove this wrong, the more you will discover, it is right!. The bible, the law, all the numbers, facts, History, Reality, personal observations and direct experience will be explored and exposed to help you end their craft forever. This is all a simple, straight forward, honest and 100% provable, profound and World changing POWERFUL points of view! My sole goal is to overwhelm you into picking up the ball and taking it to the finish line for everyone's benefit and future! The whole world NEEDS THIS KNOWLEDGE, My goal is to educate and "Liberate" North Dakota, to educate the world, once this domino falls, the world will follow as the benefits are truly beyond all comprehension! What are we really leaving behind in this sick and dieing OLD world order?

### **NEEDED SELF LEADERS**

By the reading of George Orwell's book; Animal farm, it is us it speaks of! Just how many government authorities will you submit too before you will see through it all? How many classes, races, religions or cultures will you stand back and watch be destroyed for the good of all before you will see it? How many more laws, cops, taxes, regulations and people paid to hunt you will you blind yourselves too? YOUR whole life is being eaten up for OTHER PEOPLES PROSPARATY, but not happiness. You are on a fools mission seeking a master and someone to follow while the ones who manipulate you into making them lead profit in a material world you think you seek. YOUR body is GODS vessel yet you seek some other mortals to lead you and tell you what god wants you to do and obey? Can I suggest you put an add in the paper and hire a master? Ill bet you would have lots of appliers for the job!

Everyone would start out cool but in time, as you depend on them, the sadistic nature of the dark side WILL prevail and they will want and take more. Power feeds on power and when you submit to one, it only goes one way. How many trials, tests, & time will it take to see this? They figure if you are too stupid to not see through the game, They will exploit your ignorance and live on your laziness. **You hop on anyone's plate and YOU will be eaten!** YOU WERE LIED TOO! ALL power and authority over your life is in a false reality, Nothing is not knowable? How could it NOT be true? The government concept is a crisp and clear metaphor of humans and their weakness to evolve. Before, You could not see them because they live in the dark and YOU fear the light, you choose not to grab the light? There is no one but you to blame for all this. YOU could have studied and saw past all this in the first grade. When you fell for Santa or the Easter bunny, you sold your mind out. This book is not about government, religion, me, law or my revenge, it is a metaphor and parable of YOUR thinking, life and beliefs. It goes to the very essence of EVERYTHING.

Am I nuts? delusional? Dangerous? (My lawyers, judges, Guards and "owners" think I am,) Can I remind you THEY used to burn witches, doctors, writers, scientists and heretics? "They" took it out on people that didn't fit, mostly, some of the most productive, all to build a better and happier world?? FOR WHO?? Did we get here because you didn't pay them enough? resisted a little too much? Are you just made evil inside? Are you sick and in need of help? Not smart enough to cut it in this world? Were you just born to be a poor worker? Food for the system? Just what did happen to the Einstein's, Plato's, Socrates, Or Bach's of the old world? Are we just too lazy and stupid to do it again? Why has civilizations just boomed yet the wise die out? With our education being the very best in the world< **most expensive any way**> why do we produce less doctors than Asian countries? With all the taxes, fines and fee money, why can we not live in heaven on earth when it would lower the cost of everything for everyone?

**Have you ever wondered why you never wondered why?**

Who pays when something is given away for free? Do you really think Jesus worshiped the cross? Just why do we have wars, crime and violence? Why 60 million laws when GOD has 10 and no government or religion could survive in them? Could it be a class thing? Why do we fear our paid protectors? Why do we slip closer to hell the more we give? What if fighting evil was as simple as shining the light of honesty and was to become profitable?

### [This is their future goals](#)

This is not about the mass extermination of life unworthy of living but about freeing the families and society of the costs and burdens of supporting "THEM"

The choice is yours alone, keep your eyes shut or look around and see. It is Evolution or revolution, Slavery or freedom, Prosperity and happiness or debt and slavery, War or peace, produce or take, us or them, life or death? Slow and steady or fast and bloody is the choice we all will face. out compete and out class them or let them terrorize and kill us all.

### **D.A.R.P.A. & ETCHLON & H.A.R.P.**

This will be the future of ALL of the taking class I knew better than to attempt to defend myself or to shoot so I hid the last week in the basement. The mobs are almost all gone now and I am out of food. I figure I will dress like a commoner and in their type of clothing I will be able go to the store, maybe Wal-mart and get food and supplies. I am seeing a lot of my friends and associates all dead out in the streets or hanging from trees and poles, Victims of these crazy mobs. This is 100% proof of what a world without law and order can and will do, It is all proven right here, right now. There is no reasoning with an angry criminally insane mob.. I was afraid at the way some would look at me but I finally made it to Wal-mart, filled my cart with all my needed supplies and was finally feeling good again, not everyone in this

world went nuts. That was until I went up to the register with my purchases and wanted to pay. I was told D.A.R.P.A. Needs my name. After the lady put in my information, I waited a few minutes then she frowned and told me, I see that you have a value destruction rating of 055 witch means no one will hire, buy, rent or sell to you. You have been labeled a criminally insane psychopath and a traitor to the human race, You have destroyed and preyed on the very people who paid your way. You have been sentenced to the parasite camp at the edge of town or total exile by all in the productive class. You are not welcome or even safe here and you need to leave RIGHT NOW. I have no care if you starve or freeze as you had no care of what you have done to my family and kids and called it law. You have mindlessly conspired to rob, enslave and destroy the richest, free, and most productive people in all human history all to buy your donuts and feel important, and think better than us who actually produce benefits others willingly pay for. You were a cop for 10 years! Any honest and decent person could not do what you did and YOU did it. Your record shows you enforced 32417 political agenda laws that damaged the lives of twice that many In fact, You are only 28 points from being sent to the war crimes camp not many will ever leave and a lot of your comrades are in. In the camp you will enter, You will either die of starvation, be eaten by your kind or learn to fix your mind and become a productive member of society. You will be there until you pay every victim back what you cost them, Your kind of criminal will NEVER rule again now that everyone is educated and awake.

This is not about the mass extermination of life unworthy of living but about freeing the families and society of the costs and burdens of supporting “THEM”

The choice is your alone, keep your eyes shut or look **GENOCIDE, TREASON, CRIMES AGAINST HUMANITY**  
All are distinct forms of warfare. a structured and systematic destruction of innocent life by a state fiction or

bureaucratic structure that cloaks accountability and responsibility for actions and inactions to release the guilt from the actors involved. It is state sanctioned mass slavery or mass murder. A self inflicted wound that makes a fiction appear as the victim and this crime is on the increase world wide! Constant fear, servitude, mistrust, secrecy, corruption, evil, deliberate indifference, propaganda, and slave conditioning leads to the breakdown of individual responsibility and accountability and turns everything into a science; Arrests, searches, interrogations, trials, convictions, and killings on an assembly line to keep the guilt out of the picture of the individual and on a fiction.

**THE VICTIMS ARE TARGETS OF FRUSTERATED, SCARED, HOSTILE AND CRIMINALLY INSANE PSYCHOPATHS ON A FEEDING FRENZY IN A MOB MENTALATY FOR A POLITICAL GOAL AGAINST A DEFENSLESS CIVILIAN POPULATION.**

### Identifying the seeds and signs of GENOCIDE

Whenever and wherever the seeds of Genocide begun to sprout it is the duty of every human being to confront, educate, expose, identify, and educate their neighbors and to do everything in their power to wipe out the source and causes before it grows any farther. The US goernment Has in the past resorted to mass sterilizations, mass slavery, incarceration, starvation, biological weapons. And direct mass murder against it's own people. If you doubt it, study the history of blacks, the Indians, the Asians, and the other classes deemed undesirable to the ruling elate.

The first victims of these actions are the dim, the kids, the convicts, gay, drug and booze abuser, religious sects,

vagrants, tramps, prostitutes, the indigent and lazy.

## **FORMING THE PSYCOLOGY FOR GENOCIDE**

1. Massive economic and emotional fears of system collapse
2. Massive incarceration for political crimes.
- 3 massive propaganda and incentive to build distrust with your neighbors.
4. Massive political unrest and distrust were the rule of deliberate indifference and silence rules.
5. Fascist philosophies of violence and pointing blame and revenge against the target “social disease”
- 6 the herding of people into groups for easy targeting.
7. A building of a cold and indifferent population of no involvement or care for victims.
8. The making of government dependants for food, health , jobs and housing, they make up the protector class.
9. Intensified class separations, growing unrest, riots, blamings and violence.
10. Massive propaganda of crimes and victims to target hate and anger.
11. Build a hateful, ignorant, gullible, hateful and frightened, violent society
12. Ramped substance abuse, domestic abuse alcohol abuse, mental, ills, violent robberies, to galvanize lines.
13. The blurring of reality, accountability, law, responsibility, accountability, human integrity and decency and the respect for human life and freedom.
14. **A mental health, a social worker, a cop, judge lawyer and bureaucrat in every aspect of every life.**
15. AND IN TOTAL SCILENCE AND INDIFFERENCE

OF ALL.

Don't get angry, GET EDUCATED! **The cure for genocide is ;**

RECOGNIZE;

The degree of any nations freedom is directly related to it's freedoms, education, prosperity, happiness, and stability.

RECOGNIZE;

It makes no difference how a man is killed, to regard any life as disposable is still and act of barbarism and murder.

RECOGNIZE;\_\_\_\_\_

Their can never be peace as long as the thought one life is more valuable than another.

RECOGNIZE; FULLY

No revolution, no movement, no matter how justified, can or will succeed without a solid moral philosophy to guide it. That is the number one rule why this Government is going to fall. MIGHT DOES NOT MAKE RIGHT! And when you know a nations philosophy and motives, You will know where it will lead. If it leads by force, fraud, coercion and ignorance, A solid foundation of NON force, NON cooperation,real truth, education, and the light of honesty used by the likes of Martin Luther King, Gahandi and Jesus, Used in the exposure of evil can not and will not loose! They Fear the light and can only survive in the dark, **WITH NO MERCY, EXPOSE THEM ALL!!!**

On the study of all this, I discovered some amazing facts of

human nature, I found interesting,  
During the holocaust by the Nazis, 90% of the people went without any fight? Most would strip, walk out to the mass graves and lay down waiting for the bullet. And when the camps were liberated, some would attack the liberators as the enemy. **Authority amazes me! Would You beg your oppressors for mercy? YES, YOU DO.**

It is still the same today, Go into any court room and watch the victims wiggle in front of a cruel and sadistic judge even if they know they are innocent. There is nothing worse for a judge to face a loud and prepared victim, not on the crime but the quality and essence of the actors involved. The more knowledge you pack away, the less fear you will have, the more you will see and understand the whole game. These people truly are the weakest, lowest life forms on the planet, they earn or deserve no respect, trust, cooperation or mercy, they are there to take, that is what they do and always have done. They are the taker class and live in total deception of the entire human race, Who killed the 3 world movers above? People, EXACTLY, like every taker in all human history.

It is time to toss out the facts and let each individual stand on their merits, That is the only way law and justice can or will ever have any solid meaning and deserve respect of the people and every crime is directly the result of government education and power goals. . A CRIME TAKES A VICTIM

without consent will use his plunder to make easier his robbery the next time. When you allow your servants to violate the rights of even one person, It is no less than an act of war against the peace and security of all. It is the public who must answer for their deliberate indifference and silence.

The Nuremberg trials of leading Nazis made it abundantly clear when they established the principals that individuals can and will be legally punished, even with death for obeying the laws of their Government. It makes non violent political prisoners food of the few. I believe, The Military will liberate us upon the collapse of this Government. I see, while as

they were over liberating others, they will see their families were being enslaved and robbed. I believe; JRCC> MRCC and the Walls I was forced into will house the ones who did this to us and all the silent ones who let it happen. Think on this, Is it really in the interest of big business to narrow its market to just the rich? Is it in the military's best interest to damage those who support them? Is it sane to go get shot at for a political agenda?

How could the world survive with one ruler and this flawed philosophy we live with? Which class really benefits this world and who are the resisters to prosperity? I say, only the worthy will see the future but who is the real worthy?

# Declaration of Independence

IN CONGRESS, July 4, 1776

The unanimous Declaration of the thirteen united States of America

When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.--That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, --That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shown, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.--Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.

He has refused his Assent to Laws, the most wholesome and necessary for the public good.

He has forbidden his Governors to pass Laws of immediate and pressing importance, unless suspended in their operation till his Assent should be obtained; and when so suspended, he has utterly neglected to attend to them.

He has refused to pass other Laws for the accommodation of large districts of people, unless those people would relinquish the right of Representation in the Legislature, a right inestimable to them and formidable to tyrants only.

He has called together legislative bodies at places unusual, uncomfortable, and distant from the depository of their public Records, for the sole purpose of fatiguing them into

compliance with his measures.

He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people.

He has refused for a long time, after such dissolutions, to cause others to be elected; whereby the Legislative powers, incapable of Annihilation, have returned to the People at large for their exercise; the State remaining in the mean time exposed to all the dangers of invasion from without, and convulsions within.

He has endeavoured to prevent the population of these States; for that purpose obstructing the Laws for Naturalization of Foreigners; refusing to pass others to encourage their migrations hither, and raising the conditions of new Appropriations of Lands.

He has obstructed the Administration of Justice, by refusing his Assent to Laws for establishing Judiciary powers.

He has made Judges dependent on his Will alone, for the tenure of their offices, and the amount and payment of their salaries.

He has erected a multitude of New Offices, and sent hither swarms of Officers to harass our people, and eat out their substance.

He has kept among us, in times of peace, Standing Armies without the Consent of our legislatures.

He has affected to render the Military independent of and superior to the Civil power.

He has combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his Assent to their Acts of pretended

Legislation:

For Quartering large bodies of armed troops among us:

For protecting them, by a mock Trial, from punishment for any Murders which they should commit on the Inhabitants of these States:

For cutting off our Trade with all parts of the world:

For imposing Taxes on us without our Consent:

For depriving us in many cases, of the benefits of Trial by Jury:

For transporting us beyond Seas to be tried for pretended offences

For abolishing the free System of English Laws in a neighboring Province, establishing therein an Arbitrary government, and enlarging its Boundaries so as to render it at once an example and fit instrument for introducing the same absolute rule into these Colonies:

For taking away our Charters, abolishing our most valuable Laws, and altering fundamentally the Forms of our Governments:

For suspending our own Legislatures, and declaring themselves invested with power to legislate for us in all cases whatsoever.

He has abdicated Government here, by declaring us out of his Protection and waging War against us.

He has plundered our seas, ravaged our Coasts, burnt our towns, and destroyed the lives of our people.

He is at this time transporting large Armies of foreign Mercenaries to complete the works of death, desolation and tyranny, already begun with circumstances of Cruelty & perfidy scarcely paralleled in the most barbarous ages, and totally unworthy the Head of a civilized nation.

He has constrained our fellow Citizens taken Captive on the high Seas to bear Arms against their Country, to become the executioners of their friends and Brethren, or to fall themselves by their Hands.

He has excited domestic insurrections amongst us, and has endeavored to bring on the inhabitants of our frontiers, the merciless Indian Savages, whose known rule of warfare, is an undistinguished destruction of all ages, sexes and conditions.

They learn a couple fancy medical sounding words, throw on a title and all of a sudden they are authorities with the power to destroy your life. These people started out as the driving force behind Hitler and are the ones who sent a massive amount of kids to their deaths. Their old time practices of the lobotomy was putting an ice pick into the corners of the victims eye and into their brains. Their electric shock treatments was straight up torture. They have weaseled their way into every aspect of our lives, in schools, the results speak for themselves. they push drugs on people who do not fit in to their way of thinking. Einstein today, would have been a veggie! This is why there is no more great minds! They try to get the world to think like them and god help those who won't! What would really happen if everyone did? They produce **NOTHING** real, They milk money in thousands of ways, like "treatments" and through schools,, gov. and religious agency's.

## **THE MYTH OF EDUCATION REFORM**

**THEY JUST LOWER THE SCORES& REQUIRMENTS TO LEVEL THE FEILD**

**1.IT DOWNPLAYS AND FOCUSESS ON BEHAVIOR, ATTITUDES AND FEELINGS**

2. IT HOLDS ACHIEVERS BACK TO HELP SLOW LEARNERS
3. IT PREFORMS PSYCHOLOGICAL TESTS AND PERSCRIBES DRUGS.
4. IT COERSESS KIDS INTO ACCEPTING THEIR ROLLS AND VALUES

### WHAT PSYCHOLGY AND PSYCHIARY BRAUGHT TO OUR SCHOOLS

1. DISIPLIN CAUSESS STRESS> DISIPLIN IS BAD
2. STRESS CAUSESS MENTAL DISORDERS> STRESS IS BAD
3. SELF DISIPLIN CAUSESS STRESS> BE KIND TO YOURSELF!
4. ALMOST ANY ACTIVITY IS JUSTIFYABLE IF IT REDUCES STRESS
5. ALMOST ALL ACTIVITY SHOULD BE AVOIDED IF IT CAUSESS STRESS
6. DISIPLIN REDUCES A CHILDS RIGHT TO SELF GOVEREN
7. BAD BEHAVIOR IS NOT TO BE CORRECTED BUT UNDERSTOOD.
8. THE RIGHTS OF THE INDIVIGUAL ARE4 GREATER THAN THE GROUPS
9. HOW YOU FEEL IS MORE IMPORTANT THAN HOW YOU BEHAVE.
10. WE ARE NOT REALLY RESPONSABLE FOR WHAT WE DO.

11. THEIR IS NO RIGHT OR WRONG, ONLY OPINION.

## ON ADDICTIONS

From food to heroin, to the quest for power, most Americans are addicted, to something. Addictions are caused because we carry no personal power for or over our lives. We never learned to look inside to cure the habits.

In every kind of treatment, you go through the steps of being powerless over your addiction. and you need to turn over your personal power to others, some out side authority. When in all reality, the first step you need is to take full responsibility over your one and only life, IT IS 100% YOUR BUSINESS! No treatment can or will work as they take the burden of self responsibility away. To break an addiction, spend a week and study all the options and build on their ideas and systems but YOU will need to lead yourself. YOU are 10000 times more powerful than they want you to know! Now, set a date> a week in advance as D DAY is good to build all your thoughts, efforts and knowledge fixing yourself., YOU need to become an expert on your cure, not a follower! YOU must choose to follow your habit or lead yourself out of it and collect ALL THE POWER YOU EARN!! Only when you apply all the thought, power and control needed to kick it, will you enjoy the full results of YOUR PERSONAL POWER!!

I AM NOT

I am NOT A American, Arab, Indian, Asian, black, Arab, republican, Catholic, Jew, or ANY of the thousands of categories people are fit into

## **I AM A HUMAN BEING!!!!**

A one of a kind, totally unique, independent, free thinking and acting, ORIGINAL Human!!! No one knows, thinks or acts like me and all the crazy categories YOU try to fit me into only limit YOUR view. Every single group you view another with is narrowing your view. There is no 2 people exactly alike on this planet, though out all history! YOU are a one of a kind! No 2 people have or will ever feel the same of anything the same way. and by throwing up all these walls is Tyrant tools to numb your minds. and not see the big picture. We only see all the "A POINTS" and it destroys "THE POINT" we all are created equal and independent. This fact is way beyond profound the more you think about it.

### **THE FORCES OF NATURE**

One conscience human can do thousands of times more than all the forces of nature combined.

**WE ARE THE MOST POTENT FORCE ON THIS PLANET!**

Through the millions of years, no tornado, earthquake, flood, blizzard or any other force of nature but man has built a car, computer or wrote a book, song or even a word. This is the best mother nature can do? A lion feels no guilt when he kills and eats a baby deer because they lack conscience It is also proof, we are not fully evolved. We still cling to the survival of the fittest and this dog eat dog world. Slavery, wars, crime and every single social ill is proof. Every single one of us! What would be the reason of having us if we were not destined to control our futures for our own benefits. The facts are totally obvious when you can step back and see the full picture! Our entire reason and goal of human existence is to build heaven on earth!. Only our own personal ignorance is stopping our evolution. When we become fully conscious of who and what we truly are, the universe will be all ours!

## Take out a sheet of paper and grab a ruler! build yourself the ... ultimate Personal motivator.

- > To start with draw 29 lines \_\_\_\_ across to the bottom of the page.
- > now across the top mark out 30 lines going down. I I I
- > This will give you a total of 870 little squares  
If you are 20 years old, mark off 240 of them little squares if your 40, mark off 480 of them. Each little square is == a month of your life. Everything you have ever or will ever experience in your whole time on earth is in them little squares. Every chance you will ever have to help the world is on this piece of paper Every feeling, friendship and every chance to benefit the world will happen in one of them squares and they do go fast.

I have used 540 squares marked off today.  
That means I have only have 330 left to make my mark and be honorably remembered as a benefit to human life. I have used 36 of my little squares in trying to help educate people that are wasting and stealing other peoples little squares. because the actual truth is they are wasting threes damaging others, They are wasting there squares and stealing others. looking at this in black and white. How many more squares do you want to waste fighting crimes against the state? The conspiracy to educate you will need to try them, they are old and I am working on a key word page. Life is the sand in an hour glass, it flows one way, **UES THEM OR LOOSE THEM**

From now till you die is all the time you have left to make your mark on the world, The mark is up to you. I seek a few that want a good one

## **DON'T DO THIS SHIT!!!**

I GIVE UP YOU WIN! HOW MUCH THIS TIME?  
Everyone who has been forced to your courts knows the truth and I have better things to do than think I have a chance against you people in your court. Anyone that has ever been forced to come here is going to be robbed, imprisoned, and destroyed. WE ARE GUILTY. It doesn't matter what we say, do or even if we are right or wrong. WE WILL GIVE or be destroyed. Everything we say and do is illeagle and there is some statue to take what is ours. There is no defense from you people that won't get the person killed. Your judges don't care about anything but taking maximum time, money and freedom from

everyone that is forced into his room. You have all the guns, laws, statues and thugs to make sure you get your booty. I just want to know how much this time? Can I just give a check and end this so I can get back to earning an honest living? I can no longer afford justice.

## Enforcers and Bad Laws

By Tinsley Grey Sammons

How can good people make a career out of enforcing bad laws? The for-the-good-of-society-protect-our-children-license laws cannot hold Common Sense at bay forever. Enforcers must either be bad to begin with or become 'bad' in time by absurd rationalizing and the suppression of their own Conscience.

Enforcers are only the 'hit-men' for the all-powerful Prosecutorial State. Bad laws subsidize the Judicial Industry at the expense of the individuals who make up the 'society' they are employed to serve. Much of law enforcement's available resource is applied to retrieving financial fodder to feed the 'courts.' Much of that fodder consists of unfortunates who have done nothing intrinsically criminal.

'Well, it's the law.' This is the sorriest excuse ever created to justify the criminal abuse and financial rape of ones fellow man. In reality, the most sophisticated of America's criminals are in our legislatures and legal system. Since there is no longer an effective separation of powers, it's time we went after them with something more powerful than wishful thinking in the form of a vote at election time.

The near-universal and institutionalized disrespect for the Bill of Rights has greatly diminished the value of the ballot. What good is 'representative' government in the absence of a legal system that stands firmly on universal respect for Life, Liberty and the Pursuit of Happiness, and the laws of the land made in pursuance thereof?

Re: The police code of silence. To have knowledge of a crime and fail to report it is a felony known as 'obstructing justice.' If grand jurors were aware of their power and their duty, they could quickly put a stop to the institutionalized obstruction of justice by public servants. Grand juries should begin with prosecutors who withhold exculpatory evidence and systematically use testimony they know to be false. The systematic acceptance of false testimony has become an institutionalized conspiracy and a joke among law enforcers, who arrogantly refer to it as TESTILYING.

## THE TIME TO CHANGE IS NOW

**Would you purchase you?**

**Picture Gondi in a business suit, with an attitude!**

I have some bad news buddy, in 5 years, Your labor now is building prison housing for your stay in prison, **YOU!**, Yes, You are reading this, you are being watched, Your electronic signature is recorded. You are known for conspiring crimes against the state.

How dare you call yourself an American and be reading this trash. There's still around 50% of your pay that's open for the taking. How many more hours can you to work to stay above water and support the system? You will be reformed into a law abiding American. From now on, you will be wondering when they will come?

Will they shoot? You openly said you would die for your country. What are they supposed to think? In 5 years you will be living with a lot of people housed in prison towns.

Some might have jaywalked or said a bad word. Some will teach you the ropes of the system, help keep you alive until you are reformed, and others in there have nothing to loose, they would just as soon kill you as to look at you.

There will be plenty of well paid guards and they will reform you. You will be a law abiding American or you won't be tolerated. If you are a good, obedient American you might get front row seat when they execute some of the very people writing this trash.

You have a few choices folks, you can wait for them to take you, You can grab your gun and dig a fox hole and train for the day, but you will be out there with a 22 and get smart bombed from 50 miles away. You want to live or die? You want to fight or learn to GONDISIZE em!!!!

Educate and Bill them out of our lives! They will do it to you or you can **STOP** the war before it even starts! Join the pre game festivities in North Dakota, join the fun! A \$10, 000 grand prize will be split at the best gondisizers!

You will become a rich hero perfecting your technique! You will make bank and save the world while sitting at home! With the profits of the game we can advertise far and wide, set up shows, Give houses away, start hundreds of new businesses!

The choice is YOU in prison or in war. Either way, you can take your chances of getting killed with no results. You can go with the flow and take the time they will give you for reading this or join the rush of a conspiracy to educate! Just... Ask them why! in a hundred different ways, just ask them why! Forward the news you wish they knew!

**YOU REALLY WANT TO SPEND THE REST OF YOUR LIFE HOPEING TO BEAT THEM AT THERE OWN CROOKED GAME? WHY?**

**GONDISIZE EM AND LET'S GET IT DONE WITH!!**

This isn't about anarchy , overthrow or revelation, it is about

replacement! EVELOUTION over ALL ELSE!  
AND FINALLY

OK, ONE MORE BABBLE!

CAN YA HELP A GRANDPA OUT?

---

## Can ya help ME out here?

**In 42 B.C. Cicero said** "A nation can survive its fools, and even the ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and he carries His banners openly. But the traitor moves among those within the gate freely, his sly Whispers rustling through all the alleys, heard in the very halls of government itself. For the traitor appears not traitor, he speaks in the accents familiar to his Victims and he wears their face and their garments, and he appeals to the baseness That lies deep in the hearts of all men. He rots the soul of a nation, he works secretly and unknown in the night to undermine the pillars of a city, he infects the body politic So that it can no longer resist. A murderer is less to be feared..."

**It is time to wake up because you WILL be next.**

For the good of this country and the good of this world, I seek your action of Civil disobedience just ignore my babble but explore my quest!

You as a person, can help change the whole world, If YOU really care you will study this right now! I have just days before I end in jail. You, Be the judge, when I say **THEY STARTED IT,**

**Judge for your self, AM I A NUT?**

I have come to the conclusion that we all have been had. They have taken our pay to steal our lives and our lands, They have quietly enslave us all in ignorance and poverty is that what we are to leave our kids?

For the good of "THE PEOPLE" and the good of all kids it was time to stand up and really care for life. I have been labeled a criminal and a dead beat dad I am standing firm I see through there game, I am on quest to find my owner and straighten this all out. I am here to confront them and demolish their spell and help bring in the new world

order. If you really do care for your freedoms, and kids, I am counting on YOU reading this; YOU are my ace in the hole!

We all have worked hard we should have heaven on earth but because of some illusion we all live in hell? The criminally insane think they own the whole world? With there silly word games, guns and jails. They will be stealing from you as you support me in jail. Times that by ten thousand, that's a lot of doe. Without even a trial, they expect me to pay, either do as I'm told or I will go to jail. Am I to leave that to your kids? I am seeking your help telling them they have met there match.

I have no fear and will not obey. I live for the chance to face these criminal minds, thinking they own me Those who have stolen our future and wealth

in a clever game they say is for kids. Some in this system have cost a lot of lives with the catch word of the notorious deadbeat dad. With a pen and paper used by criminal minds, I will be in jail as food for a machine they have built, they made a new class of criminals to fill your jails. When they are real criminals, I seek to prove to you. You are the jury with more power than any judge. I seek to face you all with the truth! I have no reason to hide, they can stand on there whole pile of lies! I ask all you people to show your alive help me in firing people on this free ride. They only exist with there judges, guns and jails. There not doing there job of protecting our rights, freedoms or kids.

They do it to get there piece of the pie. They make a good living off **the sweat of your brow**. They have made an enterprise of destroying prosperity and happiness for all. Enough is an enough it is time to stand firm, all I am seeking to face all of them in a court. With an impartial jury with more power than a judge. For the good of my daughter and my new Twin grand kids. This is a debt I owe all to them. I will not give a penny untill I have my day in court A matter of principle and the oath they all took **bottom line is it is YOU not knowing how to say no is what led to all this.**  
**WAKE UP, DO NOT LEAVE THIS FOR YOUR KIDS READ THIS DISK, It is you I am talking about!**

I'll throw out my reasoning to a jury of my peers and see if YOU judge me or them all insane. Will YOU help to convict and put the real criminals in jail? I am simply Seeking what we all pay for, Honesty and Justice, Is that a crime now?

I don't need a lawyer or there confusing rule books All I seek to do is to tell the truth. I don't need no Latin or a masters degree I will stand on a desire to put them away. I seek to ask them why they

want me in jail will that help the people supporting me there? I will laugh at them all and the illusion they build all with the goal to put me in jail. They can say what they want out of there silly rule books but the bottom line is it is them who is wrong, who owes who in your games of law? I sought a fair trial, submitted my briefs seeking to show, we all have been screwed. With the illusions coming from evil minds saying it is they who care, they do not even know your kid? I seek to prove they destroy real lives they do it all for a piece of the pie. Making sure all the bureaucrats above get a piece of our lives. They live by a lie I seek the chance for a jury to decide just who is the criminal, I invited there whole camp! It is they who say they will make my kids lives grand, all that is needed is throw me in jail? They will present a whole bunch of laws, crimes and statues I broke not giving them the money until a fair trial. I will stand there all alone with a grin on my face I will convict them all with the simple truth, it is really them with criminal intent. I seek to show what we could have had if we hadn't been robbed by people we pay with no respect for the boss... I seek a new future because something is wrong. It hurts deep in side, it is hard to explain. What I am facing is really insane. With all the people loosing Freedoms, money, courage and pride as we cower and submit to the people we are forced to pay? I have yet to face or even to find the one person that will say they own my life? There is always someone else besides them behind a word that is stealing my wealth and needs me in jail? I am still trying to pin it all down and am totally confused, but hay, I am a curious dude! I am wanting to straighten this all out I have just days to do it or you will support me in jail, I talked to all the people below, I simply asked them, and hit a brick wall? Try it yourself; it isn't a crime talking to our " GOVERNMENT" we pay to protect. They take our money, Time and Freedom then hire these fools. Then we wonder why we are all broke? I would never have hired them if I knew the whole score. I can't find the person to straighten this out but I know he will send the people with guns.

All these people with guns will come to get me in the name of "THE LAW" they will take my liberty because what I demand a future for the kids? I want to face a jury and those who call me a criminal and an enemy of THE STATE"" all I am seeking is a future for my girl. They will send the people we all pay to protect; they will cuff and stuff me in a cell. With the help of the "THE POLICE"" who Tell me that they just do there job? As the cell door slams I discover why my life is not all that grand and it is only because the illusion they have built. I have paid for the destruction of "MY ONE AND ONLY LIFE?" They call me a criminal because I really do care but

there way, I never will. I am seeking your help in just asking them WHY they will put me in jail, I REALLY do care. It is them who do not. With this little act of showing your there you can do it right now and not even leave your chair! I ask you all too just copy, paste, forward and blast this to all help reform them and show that you care. Make no mistake, you will help change the whole world, or sit back and do what you're told. You as a person can bring in a new, "NEW WORLD ORDER!" Keep reading, Give me a chance! It's not like you think or they might imagine it is MY Future I don't want to die in jail! This is different, the opposite of what you have heard or believed! You can sit there and take what they give you or do what Jesus wanted, that is build heaven on earth! Take this small action and control your own life and do your part for the good of human life. Do your part to help the meek inherit the whole world! I will go to jail without your help!

I will not give them money until I have court. What is more important to our kid's future? Please does this right now contact all the North Dakota Government right now, the police and judges help straighten them out! When you do your part of carving this beast, we will all get what was promised that is heaven on earth! With your simple act of a disobedience. Please, help me out here It is not a crime, but showing your alive, that you really do care! Your help here will go a long way for the benefit of all human life and the future for all. My Daughter has suffered; my new grand children's future will be stolen if you don't make this stand. I am seeking your help to put down a scam and to stop to there evil word games. Oh, and to and keep me out of jail! I used to call it "MY GOVERNMENT?" I didn't pay for this? I am seeking \$12 million dollars for a little while longer then the single people who damage our freedoms will be exposed and held accountable for what they have caused; it will be a lot more if I go to jail. I seek all you people to help collect on this debt and hopefully send some of our unfaithful employees to jail. Every day lost is a crime to us all supporting the people who would hurt child? As Jesus said "They do it in the darkness because they fear the light" With your help, they will shrivel and die. "They sift out a camel to catch a knat" and that is there game to rule the whole world. My favorite from what Jesus has said, AND THE MEEK SHAL INHERIT THE WORLD! I know in my heart I do is the right thing and will help my daughter and her two new kids more than a few hundered dollars a month would ever do. I have a choice and dream for my Grand children, you have your choice on your NWO! Please, just ask them why? MORE **ADVENTURES!**

My choice in your system is to pay you or go to jail as a deadbeat dad?

I am not trapped in your illusions like thousands of others. I am not conned by your propoganda and lies. I know the truth. You cannot help a Nation by stealing from it and that is all you do. Now, you want to throw me in jail and have the mom and everyone in North Dakota support me to propagate your destructive illusions? I had a choice, so did she. I could have forced her to have an abortion, forced her into an adoption or, like others, kill her for choosing to be a mother. I could sue for 18 years of emotional stress claiming her choosing parenthood caused me nausea and headaches and robbed me of sleep and appetite. I can argue many points of the legality of this whole system; it is built on a massive fraud. I could cost the taxpayers thousands of dollars in court costs but the bottom line is. This court is killing a growing number of people as witnessed on the news recently. This court is stealing billions of our tax money to build an illusion of helping the children. In

reality, this agency is destroying the future of everyone in America. You slander millions of people with the coin words "dead beat dads." The truth is men have no say past the sexual act. You people are misleading, living off, imprisoning, and destroying a whole nation with propaganda that is not based on the truth but a goal of building Government. You demand 18+ years of servitude for a women's choice. You push the illusion you care but in reality, you

do it for Federal dollars. Your propaganda is making sex a crime. Instead of war, killing, or treason to the Constitution witch you all do knowingly and willingly. Your propaganda is making men public enemies instead of yourselves. You have loaded up the prison system, destroyed families and damaged millions of lives for these Federal dollars. We are forced to support parents in jail so you get the money. You destroy people's future as they are forced to just survive enough to pay their bill or go to jail. How does anything you do benefit anyone but the system? You say the State has a "compelling interest" in the welfare of children." This is fraud, because the State simply "presumes" that authority, without any of the above procedural due process - no hearing, no evidence, nothing. It is called "procedural fraud."

In Civil Law, a "contract", "debt" or "obligation" is set forth in writing, but apparently not in the supposedly Civil "Family Law" system. They won't show you a contract, and in fact refuse to discuss it. The US Supreme Court clearly states that a "hidden contract is an abhorrent in law." Case law says "an ability to pay" must be demonstrated before the penalties of incarceration can be applied this government program is the most destructive, debilitating and even deadly ever devised by our "public servants. Both the State and Federal courts duly uphold that there must be proof "beyond a reasonable doubt" that this alleged contempt was a "willful disobedience" of the court's order, and further, that the burden of that proof is on the prosecution to show that "an ability to pay" exists, but was willfully disobeyed. Except, of course, in Family Law, where "pay up or go to jail" is enforced almost universally: No hearing, no evidence needed. Approximately 25,000 men committed suicide last year. While we do not know the exact reasons why, because they are not here to tell us, we do know that 80% of them were "recently involved" in a Family Court case. That, on average, is almost 400 men for every State. We can't even begin to estimate that price tag, except, to say, that none of them are paying taxes anymore or helping the kids. My stand is, I refuse to make the mother and my child support me because I can't support them. You have the power, USE IT, SHOOT ME! Show the only real power

you have. I have a goal of eliminating the entire child support system and know it would save the taxpayer at least 100 billion dollars every year. It might also just save our society. This is what I seek to do to help the kids and mothers, smashing your propaganda and exposing the real criminals who deserve prison. this is from aaaaa dvd disk I made
